A Word to the Wise.—The people are aware that D. O'Hare, No. 427 Main street, is the oldest, largest, and most experienced manufacturer of trunks and similar articles in the city. They should avail themselves of the rare opportunities afforded by Mr. O'Hare. To the country and city merchants he offers numerous large assortments of wholesale department, while in the retail line he cannot be equalled. Whoever wants to travel, whether with a small carpet bag or a mammoth trunk, need go no further than the great Western factory of Mr. O'Hare. His manufacture is a credit to Louisville, and should meet with extensive patronage. As a member of the Louisville and Louisville economy, he will consult the best interest in purchasing of Mr. D. O'Hare. Remember, that the United States Prize Medal was awarded to D. O'Hare for the best trunks made.

CHILDREN AND FEVER PREVENTED.—This branch of the West, which lays the foundation for many a consumption, seldom fails to attack those with disordered liver. This tendency is effectually prevented by an occasional use of the Peruvian Syrup, which is sold by the proprietor, and is a most effective remedy for the disease. It is a most effective remedy for the disease. It is a most effective remedy for the disease.
